WORK EXPERIENCE

April 2017-ongoing

Official in the AVA Unit (Autovalutazione, Valutazione periodica, Accredimento - Self-assessment, Periodic Evaluation, Accreditation) at the Italian National Agency for the Evaluation of Universities and Research Institutes (ANVUR).

Main responsibilities:

- accreditation of new study programmes, review of changes required to study programmes' curricula, periodic accreditation of HE institutions and study programmes;
- co-ordination of panels of experts (CEV-Evaluation Experts Committee) before and during the on-site accreditation visits. Supervisor of several HEIs periodic accreditation procedures;
- initial accreditation of Schools of Advanced Studies. Co-ordination of panels of experts (CEVS-Evaluation Experts Committee for the Schools of Advanced Studies) before and during the on-site accreditation visits;
- participation to the EUniQ project, co-funded by Erasmus+ KA3- Support to the Implementation of European Higher Education Area (EHEA) reforms with the aim to develop a quality assurance approach for European Universities.

August-September 2021

Following ANVUR authorization prot. N. 12/2021 of 12-03-2021 work as secretary in the external evaluation for institutional accreditation of the Università della Svizzera italiana (USI) on behalf of the AAQ- Swiss Agency of Accreditation and Quality Assurance, pursuant to the Federal Act on Funding and Co-ordination of the Swiss Higher Education Sector (HEdA).

Services performed:

- read of the self-evaluation report of the higher education institution under review and assist the panel with retrieving documentation and gathering information;
- participation to the preliminary online visit and in the on-site visit;
- draft of the evaluation report within the given timeline based on the feedback provided by the experts group during the whole procedure and the on-site visit outcomes;
- proofread of the accreditation proposal.

Dates (from – to)

January 2012-April 2017

Name of employer

IRCRES CNR- Research Institute on Sustainable Economic Growth (former CERIS CNR)

Technologist III professional level of the CNR

Participation to several European and national research projects, developing an expertise in evaluating policies for public research and higher education; analysis of changes in the governance systems of HEIs; study and analysis of the impact of joint programming at the EU level.

Main projects:

PREF- Public Research Funding (Analysis of national public research funding) funded by JRC Contract No. 154321 concerning the analysis of the national public funding for R&D in the 40 countries (EU and non EU) in terms of share of project versus institutional funding, mechanisms for funding allocation, and organizations for research funding. Draft of reports for six European countries.

University Engagement (An analysis of the role and engagement of universities with regard to participation in the Framework Programmes) funded by the European Commission DG RTD under the Framework Contract: 2012/s 144-240132 concerning the analysis of participation of Universities to EUFP7 and support to the realization of case studies on 25 top European Universities.

RISIS (Research infrastructure for research and innovation policy studies) funded by the European Commission under EUFP7 (2014-2017) aimed at creating a distributed infrastructure on data relevant for research and innovation dynamics and policies. Deputy member of the RISIS Governing Board.

IMPACT-EV (Evaluating the impact and outcomes of EU SSH research) funded by the European Commission under the EUFP7 (2014-2017) grant agreement n° 613202. The project aims at studying the scientific and social impacts of Social Sciences and the Humanities research. Main activities concerned the review of scientific literature on SSH impact on scientific research.

JOREP-Joint and Open Research Programmes funded by the European Commission Directorate C European Research Area for the study of main features characterizing joint programming at the European level and process of opening of national R&D programmes.

PREST-ENCE (From PREStige to excellENCE- The fabrication of academic quality), funded by the ANR in the frame of the programme ANR SCIENCESOC 2009 «Sciences, savoirs, innovations, institutions » aimed at studying factors affecting the quality and excellence of academic institutions. Support to the realization in 2011 of case studies at the History and Chemistry Departments of two large Italian universities and at the History Department and Haas Business School at the University of Berkeley (CA).

Dates (from – to)
Name of employer

February 2008-December 2011

CERIS CNR- Institute for Economic Research on Firms and Growth
Temporary research fellow

Collaboration in the following projects:

UNIPUB “Methodologies for the characterization of the publication output of higher education institutions using institutional databases” funded by the EC under the EUFP7 to test the possibility to use institutional databases to build simple indicators to characterize profile of activities of academic institutions. Main activities concerned the analysis of the scientific literature on institutional databases and the support in the realization of two case studies in Italian Universities followed by the realization of a final national and international report.

PRIME- Policies for research and innovation In the move towards the European Research Area” funded by the European Commission.

METRIS (Monitoring European Trends in Social Sciences and Humanities), funded by the European Commission. Main activities concerned the support to the realization of National reports on research policies for Social Sciences and Humanities and the updating of the web site with information on national policies and research activities in the SSH field.

“Independent Assessment of the Bologna Process” funded by the European Commission concerning the implementation of reforms and innovations promoted by the Bologna Process, analyzed through some key indicators as human resources, curricula, credit system, in Italian academic institutions.

RTD Tool - Tools and Indicators for Community Research Evaluation and Monitoring, of the European Commission DG Research for the characterization of a set of indicators on technological products (patents, confidential knowhow, prototype, licensing, software) for the evaluation of EU Framework Programmes.

**OTHER WORK
EXPERIENCES**

Dates (from – to)
Name of employer

November 2006 –December 2007

Università Telematica Guglielmo Marconi -Roma

International Affairs and European/National Research Projects Department -Consultant-Assistant Project Manager

Planning, analysis and writing of European projects (Lifelong Learning Programme, Leonardo da Vinci Programme, Youth, Media Training Programme, eContent Programme, EuropeAid funded projects, VII European Framework Programme).

Dates (from – to) **2000-2005**

Name of employer **Galgano & Associati s.r.l.**, Management consultants Project financing Area Employee

Planning, analysis and writing of projects financed with national and European funds. From 2002 to 2004 management and overall coordination five projects funded under the EC Equal Initiative with responsibilities on the global co-ordination of the project and of transnational activities preparing of management and progress report for the European Commission and national funding institutions.

EDUCATION

Ottobre 2009

University G. d'Annunzio Chieti - Pescara; CERIS CNR

PhD in Methods and instruments for the evaluation of Research.

The research activities concerned the analysis of internationalisation of HEIs research activities with specific focus on Italian situation. In depth examination of policies and main features of internationalisation of European higher education with particular attention to the European research area – ERA construction process. Analysis of the participation of Italian HEIs to European Union Framework Programmes with specification of research units and universities organizational and structural changes driven by participation to EU funded research.

2003-2004

University LUMSA- Libera Università Maria SS. Assunta- and University S. Tommaso di Aquino Angelicum

Master Degree (I level) in Management and Corporate Social Responsibility. Thesis on “Gender budgeting: a gender analysis of public budgets”

1998

University of the Studies of Siena

Degree in Political Sciences, international and political specialization Thesis “ Fiume from 1943 to 1945”, classification 106/110

OTHER

- 2013 Summer School “Statistica per Economia, Scienze Sociali, Epidemiologia Clinica e Sanità Pubblica, Sezione Scienze Sociali”, TStat S.r.l., Rome, 3-7 June 2013
- 2009 European Summer School "Modes of European Integration" organized by the Centre for European Studies (CES), Centre for Higher Education Policy Studies (CHEPS), University of Twente, 6 -10 July 2009, Enschede, The Netherlands
- 2008 Madrid *Prime Summer School* “The current challenges of European higher education. Trends towards the university of the future” organized by the PRIME Network of Excellence and the Autonomous University of Madrid, 15-18 September 2008
- 2007 PRIME Rome Winter School “Science and Technology Indicators in the Move Towards the ERA” organized by the PRIME Network of Excellence and CNR – CERIS, Rome 5 - 9 November 2007

LANGUAGES

Mother tongue Italian
Other languages **English, French**

<i>European level (*)</i>	Understanding		Speaking		Writing
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
French	C1	C1	C1	C1	C1

(*) *Common European Framework of Reference for Languages*

IELTS (International English Language Testing System) certification, Academic module, overall score 7.5, delivered in February 2010.

French language Certification (DALF- Diplome Approfondi de Connaissance de la Langue Française) delivered from the National Education Institution in July 2005. Social and human sciences area of specialisation for understanding, written and oral expression.

CHAIR AND RESPONSIBILITIES IN INTERNATIONAL CONFERENCES

26-29 January 2015 “RISIS annual week” International conference organized in the within of the RISIS project funded by the EUFP 7. Training on the following topic “Joint and Open REsearch Programmes: features and potentialities of the JOREP database “

14-16 October 2015 Eu- SPRI ECC Conference “Crossing boundaries in scientific knowledge creation and transmission: trends, challenges and policy implications”

Chair and member of the organizing committee of the Conference for young researchers funded by the European Forum for Studies of Policies for Research and Innovation (EU-SPRI) network following a selection procedure and a positive evaluation of the submitted proposal. http://www.euspri-forum.eu/archives/ecc/ecc_october_2015/

8-10 September 2014 27th CHER Conference “Universities in transition: shifting institutional and organizational boundaries”

Member of the organizing committee for the 27th Annual Conference of the Consortium of Higher Education Researchers (CHER).

Conference web site <http://www.triumphgroupinternational.com/event/27thcher/>

CONFERENCES (INVITED SPEAKER)

Conferenza nazionale “La geofisica applicata all’ambiente ed all’archeologia. I progetti Ticamosc e Scoprire in ambito PO FSE 2007-2013” organized by the CNR-IMAA, C/da Fontanelle Marsico Nuovo (PZ) 15 July 2015 “Boundaries crossing in scientific knowledge: type of boundaries and mechanisms of action”
