Art.1 Object

As part of the Agreement signed on the 2nd of April 2024 between the University of Tuscia and the Ministry of Agriculture of the Republic of Uzbekistan, the University of Tuscia announces a public selection for the admission of international students to Master's Degree Courses for the academic year 2024/2025. The University of Tuscia will draw up a single ranking and will award 20 biennial scholarships to the most deserving students of Uzbek nationality who enrol for the first time at an Italian university.

Enrolment in years subsequent to the first, transfer from one degree programme to another or transfer from one university to another, is not considered "*first enrolment*" in one of the degree programmes of the University of Tuscia in the academic year 2024/2025.

International students are students whose qualifications for admission to the chosen degree programme have been obtained at an institution not belonging to the Italian education system, regardless of the student's citizenship.

The complete list of master's degree courses at the University of Tuscia can be found at the link: <https://www.unitus.it/corsi/corsi-di-laurea-magistrale/>

Art.2 Declaration of value

Upon their arrival in Italy, applicants must hand in to the Student Secretary, Via S. Maria in Gradi n. 4, Viterbo, the original **Degree certificates and the Transcript of Records, in Italian or English, authenticated by the Italian Diplomatic Mission in charge of the territory or with an Apostille, and the Declaration of Value issued by the Italian Diplomatic Representation in charge of their territory or, alternatively, the certification issued by the ENIC-NARIC (www.enic-naric.net) centres in Italian or English, such as the Statement of Verification (as an alternative to legalisation or Apostille) and the Statement of Comparability of foreign qualifications (as an alternative to the Declaration of Value) issued by CIMEA, with which the University of Tuscia has an agreement.**

The student can request the aforementioned documents of the qualifications from the link <https://cimea.diplo-me.eu/unitus/#/auth/register>. The documents must be submitted to the **Student Secretariat**, Via S. Maria in Gradi n. 4, Viterbo, within **30 days from arrival and in any case no later than the first exam session of the academic year 2024/2025 (30 January 2025)**. Failure to submit the aforementioned documents within the deadline will result in the interruption of enrolment operations and therefore the impossibility of taking the exams. Enrolment operations may be completed only after the submission of the aforementioned documents.

Art.3 Language requirements

Students enrolling in Master's degree programmes taught in English must present a minimum B2 level

English certificate or prove that their bachelor's degree was fully taught in English.

Art.4 Admission requirements

The call is reserved for international students who meet the following requirements:

1. applicants must have been born after 31/12/1993;
2. hold a Bachelor's degree or post-secondary qualification from an Uzbek University or an Uzbek higher institution recognized after 31/12/2016. Students who will obtain their degree by the end of academic year 2023/24 will be able to participate provisionally in the call. Failure to obtain the degree by 31 July 2024 will result in the loss of the right to the scholarship;
3. not be enrolled at the University of Tuscia or at other Italian universities in first-cycle, second-cycle, or single-cycle degree courses;
4. have obtained, at the end of the Bachelor's Degree Programme, an average grade point (GPA) corresponding to at least 22/30 of the Italian evaluation system, calculated with the [formula](#) provided by the Ministry of University and Research¹;

- scholarship of € 7,000 (gross of IRAP 8.5% to be paid by the Institution), i.e. € 6,451.60 per year for two academic years (2024/2025 and 2025/2026) net of IRAP paid by the Institution. The scholarship is not among those exempt and will be subject to taxation according to current tax rules based on the amounts progressively disbursed during the year, with the application of the deductions provided for income assimilated to employment which may reduce or eliminate the gross tax applied. The costs of food and accommodation are the responsibility of the student. To keep the scholarship in the second academic year, students must earn at least 18 credits by July 2025;
- reimbursement for travel expenses of € 2,500 (gross of IRAP 8.5% to be paid by the Institution), i.e. € 2,304.14 per year for two academic years (2024/2025 and 2025/2026) net of IRAP to be paid by the Institution.

¹ The [formula](#) provided by the Ministry of University and Research is used to calculate the grade point average (GPA) taken at the end of the Bachelor's Degree Programme, corresponding to the Italian evaluation system.

The formula is the following: Final grade point average at the end of Bachelor Programme corresponding to Italian system = [(Final Grade at the end of Bachelor Programme - minimum grade in your system) / (maximum grade in your system - minimum grade in your system)] * (30 - 18) + 18.

For the academic year 2024/25 the scholarships are distributed as follows:

Master's Degree	Course language	Number of Scholarships
Circular Economy	English	7
Forestry and Environmental Sciences	English	6
Plant biotechnology for food and global health	English	7
Total		20

The scholarship does not include accommodation. The International Student Office can provide information on accommodation agreements, but is not responsible for finding accommodation.

The reimbursement for travel expenses (€2,500) will be paid in a single instalment within 30 days from the completion of the enrolment.

The scholarship will be disbursed in three instalments for each academic year. The 1st instalment of € 1,500.00 will be paid within 30 days from the enrolment; the 2nd instalment of € 3,500.00 will be disbursed by the 31st of March 2025 after the completion of 12 credits in the first semester; the 3rd instalment of € 2,000.00 will be disbursed by the 31st of July 2025, after the University will have verified that the scholarship beneficiary has regularly paid the rent and accommodation bills.

Only if the beneficiary obtains 18 credits by July 2025, the University will allocate the amount relating to the reimbursement of travel expenses and the scholarship for the second academic year (2025/2026), at the same time as for the first year.

In addition, selected students will be highly recommended to take an Italian language course at the University of Tuscia, once they arrive in Italy, and to pass the final level exam held by the University of Tuscia.

The amount of the scholarship will be calculated pro-rata based on the student's actual period of attendance at Unitus, starting from the date of arrival.

Selected students are responsible for their initial expenses such as travel cost, living expenses including rent, insurance and administrative fee. Above mentioned scholarship will be paid after arrival once students

complete required tasks.
