Award Ceremony for the "Brigida Palelli" Degree Prize

The "*Brigida Palelli*" **Degree Prize** for the best master's thesis in Life Sciences aims to highlight academic excellence and scientific research in the biological field.

Dr. Francesca Pancrazi, a graduate in *Cellular and Molecular Biology* from our University and winner of the Prize, will present her thesis titled "Impact of low magnetic fields on growth and defense-related mechanisms in tomato plants" during the ceremony.

OCTOBER 30TH, 2024
12:00 PM
